

TIMELINE FOR A PERSONAL INJURY LITIGATION CASE

MEDIATION

Average Time Period: One Day Meeting

Mediation is a process that is required by most Judges before a trial can occur. Mediation is a formal settlement conference which is scheduled 1-4 months before the trial.

Mediation takes place. Some cases will be settled at mediation.

If Case is not settled...

Case proceeds to trial. The trial may last a few days or several weeks.

If Case is settled...
