BRING BACK

Motorcycle Chariot Racing?!

The NSW Police Carnival in 1936 was anything but boring. It took place at the Sydney Showground and featured dogs jumping through hoops on fire, as well as two daredevil cops whose motorcycle stunt has captured the imagination of bikers around the globe. It has to be seen to be believed! Two police officers recreate the famous chariot race scene with motorcycles! More than three million people have seen this video and now, so can you! THANK YOU

For Your Service!

As we celebrate Independence Day, we'd like to give a special thanks to our men and women in uniform, both past and present. Military and veterans motorcycle clubs are involved in standing up for great causes, charity work and volunteerism. They raise funds for children of fallen soldiers, fight for biker rights and end veteran suicides. We salute them for their service to our country on and off the battlefield.

The Green Knights Military Motorcycle Club–

With more than 10,000 members and 131 chapters – is one of the largest military-only motorcycle clubs, and most widely accepted on and off military installations.

The Combat Veterans Motorcycle Association

participates in many motorcycle-related fundraising events each year and donate to Veteran charities. Their focus is to help Veteran care facilities provide a warm meal, clothing, shelter, and guidance.

U. S. Military Vets Motorcycle Club member, Andrew Kelleher, says "Taking care of other people is something that I think is ingrained in every military person. Whether it be the home they came from or where they found themselves after they got out – it's all about helping out where you call home."

Here is a short list of prominent National Clubs:

- Green Knights Motorcycle Club
- U.S. Military Vets Motorcycle Club
- Combat Veterans Motorcycle Association
- American Legion Riders
- Rolling Thunder
- Leathernecks Motorcycle Club
- Vietnam Vets Motorcycle Club

- POW/MIA Riders Motorcycle Club
- Purple Heart Riders Motorcycle Club
- Band Of Brothers USMC Motorcycle Riding Club

Reach out to us if you are a member of a local veteran motorcycle club that is in need of community support.

GREAT GEAR:

uglyBROS Motorcycle Pants

uglyBROS Motor Wear company makes protective riding jeans and pants that function well but also look fashionable. Their product delivers on all fronts. Kevlar fiber lines the knees, hips and rear of the pant and POWERTECTOR removable knee and hip protectors are included for additional protection. Elastic accordion panels in the knees and lower back allow for extra mobility.

They have accomplished an elevated level of protection without feeling like you are wearing a pair of chain-mail pants. This makes stomaching the \$300 plus price points more palatable.
